

## Meet the Team

*Peter Moate*  
Senior Branch Manager

Peter has worked for Darwoods for seven years, initially starting as a Senior Lettings Consultant and then taking over as Branch Manager when Ian and Jane Darwood retired.

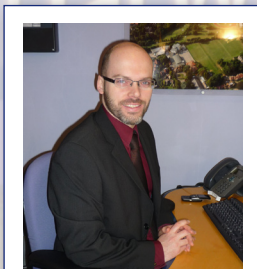

Peter has spent most of his career working in North and Central London initially in Estate Agency before Lettings. Peter has 29 years industry experience.

Norman joined Darwoods one year after the lettings office opened in 1995 and had responsibility for all aspects of the job including property management, marketing, valuations, lettings and administration.

Norman primarily concentrates on Lettings, marketing and valuations now. Norman has extensive agency experience in Hertfordshire spanning 30 years and has covered most aspects of the property industry from sales and valuations to branch management.

*Norman Mead*  
Senior Lettings Consultant

*David Underwood*  
Lettings Consultant

After University, David started his professional career within the property rental industry in London and Hertfordshire.

He then decided to move to St Albans and Darwoods in 2007 where he continues his career as an experienced lettings consultant. David has worked within this sector for over 8 years.

## Meet the Team

*Louise Parish*  
Senior Branch Administrator

Louise has worked for Darwoods for five and half years following a fourteen year background in property newspaper and pre-press. Her role supports the Branch Manager and the Lettings team as well as verifying new tenancy files, advertising and ensuring our database is up-to-date with current

available properties. Louise was very pleased to have received the accolade Employee of the Year 2010 as voted by Landlords.

*Sara Williams*  
Branch Administrator

Sara has been with Darwoods for 3 years, initially employed as a Renewals Administrator then progressing to the Branch Administrator role where she deals with all new tenancy contracts and administration. Sara came to us from an administrative background in estate agency after moving to the St Albans area six years ago.

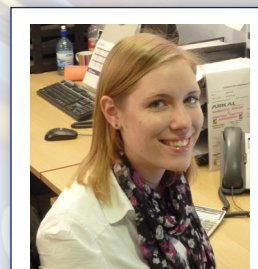

*Susan Farnell*  
Property Manager

Susan has worked for Darwoods for six years and her role involves dealing with landlords and tenants over maintenance issues and the general running of the properties with road names C - Mille. Susan also arranges check outs at the end of tenancies and ensures the property is ready before new tenants move in.

*Jason O'Brien*  
Lettings Consultant

Jason joined Darwoods in September 2007 as a property manager. Although Jason initially worked in the automotive research industry he enjoys his role looking after the Property Management team who are responsible for all issues from the time the tenancy commences to check out. Jason's portfolio is primarily road names A-B and all of our multi-landlords.

*Amy Anderson*  
Property Manager

Amy has been working in property for over four years and has recently moved to Darwoods in November 2010 from a market leading estate agent. Amy looks after the portfolio of properties Milli - Z to include maintenance, inventories and check outs.
