LRG Employees Limited is committed to improving pay quality in all areas of our business. This report highlights our gender pay gap as at publication on 1 April 2021. The pay data is for all UK employees from the pay period including 5th April 2020 as specified by the UK regulations.

This year’s data is not a true reflection of LRG’s Gender pay gap due to the data being captured at a time that Furlough was being utilised by the group. The groups relevant employee numbers would be 2,059 however the headcount for the purposes of this report is only 881.

Lettings Division Mean Gender Pay Gap
A large proportion of our employees work within our lettings division. For the purposes of the data within this report 551 of the 881 work within lettings.

* Please note that each house represents 5%
